PORTFOLIO

NITHISH KUMAR S

Junior Software Developer | Mobile Application Specialist

Strategic M.Sc.IT Postgraduate with an advanced academic background and a proven foundation in computer applications. Specialized in bridging complex backend architectures with intuitive, high-performance mobile interfaces. Recently concluded a Master of Science in IT, prepared to leverage modern frameworks to build scalable, real-time mobile solutions and solve enterprise-level challenges.

EDUCATION

Master of Science in Information Technology

2024 — 2026

St. Joseph's College of Arts and Science (Annamalai University), Cuddalore

Score: (Final Results Awaited)

Bachelor of Computer Applications (BCA)

2021 — 2024

St. Joseph's College of Arts and Science (Annamalai University), Cuddalore

Score: 75%

EXPERIENCE

AndroidDevelopment Intern

Dec 2025 — Mar 2026

SkillsIn Corp | @Vadalur

- Collaborated on building native Android applications using Kotlin and modern architectural patterns.
- Implemented core features and UI components using Jetpack Compose and XML.
- Assisted in API integration and local database management.

MAJOR PROJECTS

SignBridgeAndroidApp (Kotlin)

Android Studio, MediaPipe, TFLite

- Engineered a real-time sign language translation tool using deep learning models.
- Integrated CameraX and MediaPipe for hand gesture recognition and text output.
- Optimized app performance for low-latency real-time processing.

Generative AI Chatbot (Python)

Python, Wikipedia API

- Developed a local chatbot (NGPT) capable of processing and summarizing Wikipedia data.
- Implemented natural language processing techniques to improve response accuracy.

Utility App Suite (Java)
